# ABOUT US

PR 7 Security & Placement Services Pvt. Ltd is a leading private security agency offering comprehensive and reliable security solutions to individuals, businesses, and organizations. Established in 2011, we have built a reputation for providing exceptional protection services tailored to meet the unique needs of each client. Our experienced and highly trained security professionals are dedicated to safeguarding what matters most — from physical assets and property to personal safety and confidential information.

We specialize in delivering personalized security strategies that ensure the highest level of safety, whether for residential, commercial, or high-profile clients. Our services range from traditional security guards and surveillance systems to executive protection and risk assessment consulting

---

# MISSION STATEMENT

## 👍 MISSION

Our mission is to provide protection and security to our clients through a bespoke service tailored to their specific needs, ultimately the safety and security of the client's staff, premises, assets and the general public is our highest priority.

## 👍 VALUES

As a company and as individuals we value above all else honesty, integrity, unselfishness, professionalism and mutual respect. For our staff, we offer a rewarding and challenging environment where personal development can flourish. We hold ourselves accountable to our clients, staff and partners by honoring our commitments, providing results and continually striving to provide the highest quality security services.

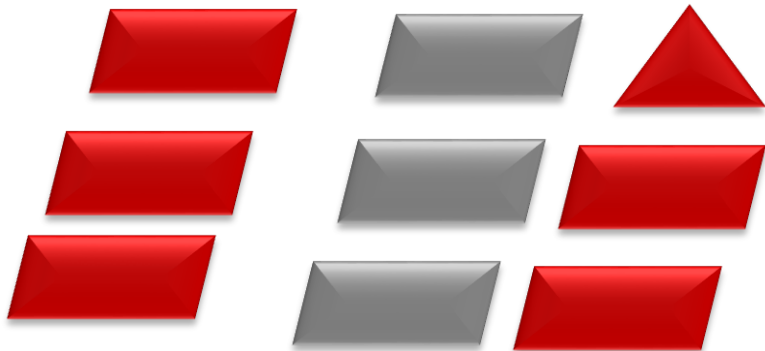

## 👍 VISION

We are committed to the ongoing improvement of the services we provide to our clients. By investing in and developing our most important assets, our staff, we aim to achieve all our goals and exceed our clients' expectations. Through our commitment to high standards it is our vision to earn the trust of our clients by delivering the best quality security services within India.

## 👍 OUR WORKING LINE

Acting with honesty and transparency in all interactions. Maintaining ethical standards in every aspect of the business. Providing highly trained and qualified personnel who deliver services with expertise and respect for clients and their property. Being dependable and consistent in providing high-quality security services, ensuring clients feel safe and secure at all times. Taking responsibility for actions and decisions, ensuring high standards of service and performance. Safeguarding the sensitive information of clients, employees, and operations, ensuring privacy and discretion. Putting the client's needs first, tailoring solutions to meet specific requirements, and maintaining strong communication to foster trust and satisfaction. Treating every individual with dignity, valuing diversity, and ensuring fairness in all business practices. Prioritizing the safety of clients, employees, and the community, ensuring peace of mind through proactive risk management.

# SECURITY SPECIALTIES

## 1 GUARDING SERVICES

Superior guarding services  
Across many sectors.

## 2 CCTV

Extensive range of CCTV  
Monitoring systems.

## 3 ACCESS CONTROL BIOMETRIC

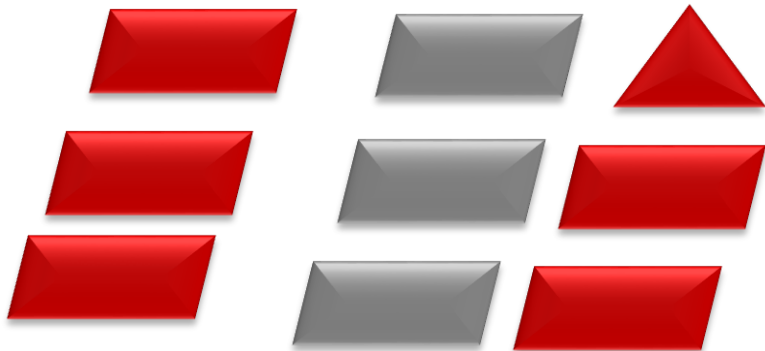

Reliable, durable and highly accurate  
biometric access systems.

## 4 EVENTS SECURITY

Risk, Threat and vulnerability Assessments,  
Security Strategies.

## 5 EXTRA SERVICE

Housekeeping, Bouncer , Gunman  
Bodyguard, Office Boy & Girl

## GUARDING SERVICES

We provide a wide range of security services, ranging from static guards to emergency response and mobile security. Our dedicated security officers are available 24 hours a day.

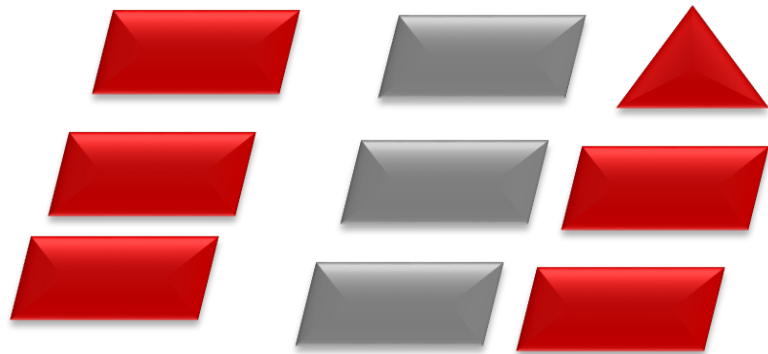

We have well trained and highly disciplined guards. They are both physically and mentally fit to ensure that maximum security is accorded in any assignment they are deployed.

Whatever your requirements, PR7 SECURITY can guarantee a security guarding service to match your needs.

## CCTV SURVEILLANCE

Wouldn't it be great to be able to keep an eye on your business even when on the go, wherever you go? With our advanced Internet Protocol CCTV solutions, not only can you do this, but you can also keep a lid on employee theft and misdemeanors, deter crime from external threats, and inspire confidence and trust with your clients.

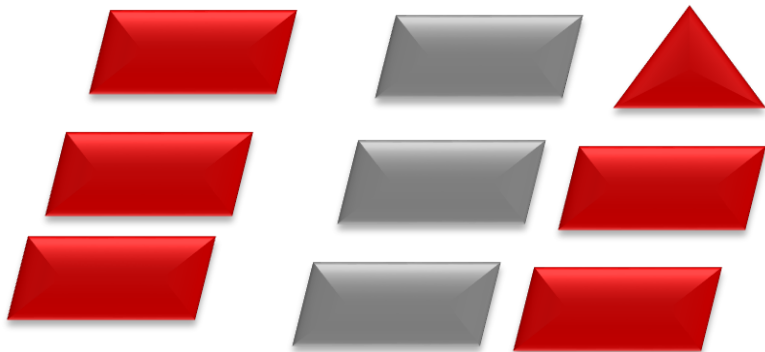

## CONTROL BIO-METRIC

We offer reliable, durable and highly accurate biometric access systems. They come ready setup and easy to program via keypads and embedded firmware. Whether being used to access a building, secure restricted locations within, or for time and attendance management, our biometric access systems enhance building security, internal communications, and employee management with utmost reliability and accuracy.

### Some of the features include:

- Reliable, durable and highly accurate infrared detection biometric sensors

To,  
Mr. Rup Jyoti Rabha  
Security Officer  
P R 7 SECURITY & PLACEMENT SERVICES PVT. LTD.

Dated : 11/04/2025

**Subject : Appreciation for Excellent Security Services**

Dear, Mr Rup Jyoti Rabha, Head of of Security & Team,

I am writing to express my sincere appreciation for the excellent security services provided by you and your team specially during our Chairman visit on 10<sup>th</sup> of April 2025 .

Respected Chairman Sir has also truly impressed in your service and discipline work with proper dress code and fitness of all Guards.

Please extend my gratitude to all the members of your security team for their hard work, dedication, and commitment to providing such a high standard service. Their efforts contribute significantly to a positive and secure environment for everyone.

Thank you once again for your outstanding service.

Sincerely

Dipankar Das

# EXPERIENCE

Since 2011 we have provided security solutions to clients across the residential, commercial, agricultural, industrial and NGO/diplomatic sectors. Our layered security plans encompass fixed and roving posts, checkpoints, access control, mobile services and technical security systems.

We have analyzed client vulnerabilities and followed up with recommendations ranging from installing security equipment and deploying security personnel to the development of information security programs. We have also managed a great number of crisis from relocating to evacuating clients:
